Formal

As the CRE and FM sectors experience rapid transformation fueled by technological advancements and shifting market demands, the RICS India CRE & FM Conference emerges as a crucial platform for industry professionals to collaborate, exchange insights, and influence the future trajectory of the industry. Returning on 12th September 2024, this highly anticipated conference will revolve around the theme, "Creating Synergies Between Form and Function," emphasising the integration of innovative design with practical functionality in the evolving CRE & FM landscape.

The conference will encompass a series of thought-provoking discussions helmed by industry luminaries and experts who will share invaluable perspectives on key topics. Attendees will delve into the future of CRE, the burgeoning demand for data centers, sustainable workplace design, and the increasing prominence of flexible office spaces. These sessions aim to provide strategic insights and practical knowledge, equipping participants to adeptly navigate the complexities of the current CRE & FM environment. Additionally, networking opportunities will enable attendees to forge connections with peers, potential business partners, and industry thought leaders, fostering relationships that can spur future innovations and business growth.

Mark your calendars for 12 September 2024, and get ready to engage, learn, and network in Bangalore, India for this transformative conference.
