Event Description:

Site visit to the epitome of world-class office and architectural landmark – The Henderson, “An Icon Amongst Icons” designed by Zaha Hadid Architects. This brand new iconic development comprises a total GFA of about 465,000 square foot over 36-storeys, and is over 190 metres tall.

From the breathtaking architecture to the seamless vision of tomorrow, The Henderson is powered by a multitude of technological firsts that have been created through people-centric philosophy.

The Henderson is an urban oasis in the heart of the city. At street level, a lush landscaped garden welcomes visitors, and the multi-function Sky Garden on 22/F offers a restful sanctuary to recharge.

The Henderson is an icon of sustainable commercial buildings in Hong Kong as it has been certified for numerous green and smart building accreditations and awards. The Henderson promotes excellent sustainable standards and will directly benefit office tenants in achieving their ESG targets.

This tour offers exclusive access to the iconic building. For more information, please visit the official website: <https://www.thehenderson.com.hk/>
