## **BACKGROUND**

RICS clearly states in its document 'CPD requirements and obligations' that *"All members (AssocRICS, MRICS and FRICS) must record their CPD online"*.

RICS consider that the seriousness of this mandatory requirement is emphasised in the following statements:

- Practising members must recognise their obligations to the public, business and commerce for the provision of specialist knowledge and expertise.
- The requirement for CPD ensures consistent standards within the profession,
- The requirement for CPD ensures that individuals maintain up to date knowledge in their area of expertise,
- The requirement for CPD ensures that members demonstrate this by evidencing the completion of a record at RICS.

## **FINDINGS OF FACT**

Your Member Transactions statement confirms that you have paid your Membership Subscription up to and including 2021. Your CPD Annual Summary confirms that you successfully completed recording your CPD outcome for 2013, 2014, 2015, 2016, 2017 and 2018; therefore, demonstrating that you were cognisant of your CPD obligations. However, you were in breach of your records

unknown in 2019, 2020, 2021, in the absence of any recorded CPD Exemptions or mitigating circumstances. In summary RICS records confirm that for three years, 2019, 2020 and 2021 you failed to record the required number of CPD hours on the portal.

In 2019 you were given a 'Caution' and in 2020 you were given a 'Caution and Fine'.

Between 15 November 2021 and 7 June 2022, you were sent 8 emails reminding you of your CPD obligations. Subsequently you were sent a further email dated 3 August 2022 entitled 'Letter before disciplinary action' and on 2 November 2022 you were sent by email a letter entitled '2021 CPD Disciplinary Proceedings'

You have not responded to any of these communications.

### **LIABILITY FOR DISCIPLINARY ACTION**

I have considered the contents and evidence prepared by RICS in the Investigation Report and find that you are liable for further disciplinary action.

### **REGULATORY SANCTION**

In accordance with sanctions in respect of Rule 6 of the Rules of Conduct for Members (CPD) and in the absence any recorded mitigating circumstances, together with cognisance that the evidence presented in the Investigation Report confirms that this is your third breach within 10 years of receipt of a caution, I sanction that you be expelled from RICS.

### **ORDER MADE**

In accordance Regulatory Tribunal Rules, I make the following order:

That Christopher Wright be expelled as a Professional Member (MRICS) from RICS.

### **TAKING EFFECT OF ORDER**

In accordance with Regulatory Tribunal Rules, this order will take effect 14 days from the service of the Single Member's decision upon the Regulated Member, unless notification in writing is received from the Regulated Member or RICS stating that they consider that the findings and/or the Regulatory Sanction imposed by the Single Member are wrong.

### **COSTS**

In accordance with Regulatory Tribunal Rules, I make the following in respect of costs:

I award costs for the consideration by a Single Member of the Regulatory Tribunal of £350.00.

## **PUBLICATION**
