2020 CORPORATE PARTNERSHIP OPPORTUNITIES

E

[The WBEF Summit] helped to build up our brand and accelerate our internationalisation process **Yin Baoxing, President, Shanghai Oriental Investment Supervision**

The WBEF Summit is the stand-out opportunity for reaching c-suite built environment sector leaders **Claire Penny, Global Industry Leader, Watson IOT for Buildings, IBM**

6

The webinars are an excellent way to continue the discussion on key topics highlighted during the annual Summit **Patrick Rafferty, VP** of Product, Reonomy

ASKING THE BIG QUESTIONS

This year's Summit, **due to be held May 18-19 2020 in Shanghai China**, looks at the most pressing issues for the built environment sector, including:

Competitive advantage

Why are city clusters moving ahead in the global race for talent and investment?

2Belt and Road Initiative

Belt and Road is the largest infrastructure project in history; how does the vision become reality? **3** Climate risk 98 of the 100 fastest growing cities are vulnerable to extreme weather events; is climate resilience a priority for policymakers?

5 Green finance The global green bond market is valued at US\$180bn; is this the future of finance?

ACCESS A HIGH-

WBEF online and in-person events attract a hugely influential audience. Plans for 2020 will build on this, including valuable exposure to Summit partners across China.

delegates have attended WBEF Summits in the past four years **10,000** online participants

525

Last year's event sold out, with 525 attendees

attendees per webinar (average)

130,000

RICS has a network of over 130,000 qualified professionals in more than 60 countries
